RESCUE DOGS WITH A BLOG

Have you previously adopted a SNIPSA animal? Send us an update and you may just be featured in our monthly blog, Rescue Tails! This special web series highlights some of our most successful rescue stories. From homeless and unwanted to finding a forever family, our cats and dogs often go on quite a journey to find their people.

Each Rescue Tails story is a heartwarming read that showcases the important work SNIPSA does. One of SNIPSA's primary objectives is to provide our rescues with the life they deserve. Thanks to Rescue Tails, we can look back and remember the animals that impacted our lives as well as see our mission becoming a reality.

WANNA FOSTER?

To become a foster, sign up at snipsa.org/fostering.

Ron Mundstock is truly a person to celebrate! This dedicated friend of SNIPSA is always the first to step up when we are in desperate need of a weekend home for a rescue dog. He will take a chance on ANY pup and even provides funny, informational write-ups to help us learn more about their personalities. Additionally, Ron is a hardworking presence at adoption events and Big Fixes. He has devoted countless hours towards helping SNIPSA with our needs, no matter how great. Ron, we are truly grateful to have you on call! THANK YOU for everything you have done and continue to do for us!

SNIPSA'S 16TH ANNUAL RACE FOR THE RESCUES

Our biggest fundraiser of the year is approaching FAST! SNIPSA's 16th annual Race for the Rescues on Saturday, September 30th. You can run alongside your pet or ride solo at this annual pet-friendly 5k. Not a fan of running? No worries! You can also sponsor one of SNIPSA's rescues and receive different levels of recognition depending on your contribution. Participation in this event directly benefits San Antonio's homeless and unwanted animals!

VOLUNTEER SPOTLIGHT

Hali Picciano and her daughters, Kara and Lana, are beyond incredible! This group of gals has stepped up in so many ways - creating chic bandanas for our rescues to wear, fostering countless "misfits" and helping with all the nitty gritty at SNIPSA events. And it doesn't stop there, as their family business, Parker's Ice Creams, will be featuring a special rescue-themed flavor next month to benefit our work in the community. Shoutout to these animal lovers. We are SO lucky to know you!
