Race Background

In 2008, SNIPSA introduced Race for the Rescues, a competitive 5K race where participants compete and earn recognition with (or without) their dogs. This important charity event quickly became the top fundraising effort that we organize each year. Proceeds from the race provide funding for homeless and abandoned animals and spay/neuter outreach, all right here in our community.

Your Sponsorship

Your support of the 17th Annual Race for the Rescues will directly benefit the many homeless and unwanted animals in San Antonio. Depending on the level of sponsorship, your company will be acknowledged on the SNIPSA website, the race website, and included in race signs, banners, t-shirts, and social media platforms. Sponsorships are tax deductible as SNIPSA, Inc. is a registered 501(c)(3).
